REPORT BY ROBERT ANTHONY HARDCASTLE BSc PhD

Material submitted for examination by DC Wilson, Merseyside Police, Hoylake, in accordance with receipt dated 29 June 1992.

RESULT OF EXAMINATION

I have made a preliminary examination of Item DFW/3 for impressions of indented handwriting.

Item DFW/3 bears impressions of a handwritten letter relating to suicide. I have deciphered the text and give a transcript of it below. In the transcript characters within square brackets are those which I cannot decipher with certainty and underlinings within square brackets denote characters which cannot be deciphered at all.
