REF.NO. BWGJ.1. 'SUICIDE' NOTE FOUND AT SCENE ON 4TH JUNE (BELIEVED DICTATED BY EDDIE.)

Dear Eddie,

I've decided to put an end to everything and in doing so ended a chapter in my life that I can't face up to any longer. I don't want to have this baby that I'm carrying. I wish now that I had got rid of it. When I was thinking about it I wouldn't be hurting the way I am now.

Don't blame yourself Eddie it's not your fault, I've caused all your pain and heartache. I've destroyed you and your life. I just hope you can rebuild everything and realize your goals and dreams.

I'm sorry for hurting my family, your family and my friends but most of all hurting you. I never meant to. Don't be afraid to tell people the truth, they can't hurt me because I'm not there to face up to them all. I loved you in my own way but I destroyed it all through my own stupidity. All my moaning and nagging at you wouldn't have helped us to rebuild things between us.

Eddie, I've done some things in my life that I'm not proud of but I got through somehow but this is just too much. I can't face up to my problems anymore. I had packed a bag and even moved some of my clothes already but I can't run anymore, it's the end of the line for me on this earth.

Give my Mum and Dad a keepsake for me, explain things as best as you can tell them I love them and that I'm sorry for everything.

Eddie I hope that you will find it in your heart to forgive me and that one day we will meet again until that day, take care of yourself, don't be afraid in life, I will watch over you and protect you from harm. I've ruined your life, its thebest I can do maybe it will be the one thing I will do right in life.

I can't change or alter what I've done but if I could I would. They say time heals a broken heart. I hope your heart heals pretty quick. I don't want you to waste anymore of your life. Its time to turn the clock forward instead of backwards and go forward.

Goodnight and God Bless

Love

Paula.

P.S. I apologise for all the pain and suffering I have caused by taking my own life. I don't mean to cause any problems for anyone, no-one is to blame except myself.
